Prestigious Award for Young Research's at Nanotechnology 2020 Discovering New Exploration in the field of [Nanotechnology](#) .

[Nanotechnology 2020](#) Conference Committee is glad to announce 5th International Conference on Nano Medicine and Nano Technology on **April 22-23, 2020** in **Bangkok, Thailand** by focusing on the theme: **Contemporary trends in Nano Medicine and Nano Technology**

Nanotechnology 2020 developments are maintaining their momentum. Nanotechnology Conference program delves into strategic discussions.

Nanotechnology 2020 [Young Scientist Awards](#):

Nanotechnology 2020 [Conference Committee](#) is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of [Nanotechnology](#) .

Young Research's Awards at Nanotechnology 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the [Nanotechnology 2020](#) young research forum.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners

- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs
- All submissions must be in English.

[Nanotechnology 2020](#) provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join [Nanotechnology 2020](#) for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing

dedication to make our Nanotechnology 2020 more successful.

Best Poster Presentation – Best Poster Awards, Nanomaterials and [Nanotechnology 2020](#)

The [Best Poster Award](#) is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledgebase. This **Award** is to highlight good quality posters presented at the Annual Meetings. The Award will be given to the **best students, PhD candidates and early stage postdocs**. It rewards a combination of excellent research, innovation, and presentation. As the goal of this poster award is to foster the clear communication of scientific content also to non-specialists of the presented topic, the emphasis of the evaluation will be put on the attractiveness of the graphical representation and on the clarity of the text. Only posters which satisfy the communication criteria will be taken into consideration for the evaluation from a scientific point of view.

Guidelines for Best Poster Presentation – Best Poster Awards

Benefits

- This award will be provided to participants like student and recent graduates to present their original real-time work and share their views and aspects related to the theme of the conference.
- Award should motivate participants to strive to realize their full potential which could in turn be beneficial to the field as whole.

Eligibility

- This competition is open to all students (Graduates, Post Graduates and Research Scholars).
- Abstracts have to be submitted through online or by email. Shortlisted abstracts for the competition will be intimated

through email and those will be displayed on the website as well.

- If the registered author/poster presenter is unable to attend the conference he/she may send a substitute who can be a co-author (or) any member from the same institution. If the winner is a substitute, he/she will be awarded and not the registered author/contestant.

Judging Criteria

- The judgment will be done by Board of Jury.
